

Grade 5

English5 Grammar & Writing - BJU - *English 5* studies traditional grammar and guides students through the step-by-step use of the Writing Process for a variety of writing assignments, such as compare-contrast essays, persuasive business letters, research reports, and more. The student work text provides guided practice, independent practice, chapter reviews, and cumulative reviews.

Literature - Purposeful Design/Modos Press- With over 600 pages of prose, poetry, plays, and nonfiction narratives, Coral's student curriculum features "Lessons in Literature." Each lesson teaches language arts skills appropriate for the prose it precedes. In addition, Modos Press provides a pre-curriculum introduction to the more complex skills that will be studied with the major prose selections in each of the six units.

Spelling - Purposeful design- Includes 36 hands-on lessons to challenge and enhance student spelling skills, and meaningful and grade-appropriate activities to foster both proficiency and confidence in spelling. Grade Three student features: phonics, word Study, writing, and the use of spelling words in context. Spelling word lists increase to 25 words.

Heritage Studies - BJU - *Heritage Studies 5* continues the narrative of American history from the development of the automobile in the late 1800s through the inauguration of President Obama in 2009. Topics are presented from a biblical perspective and include the invention and influence of the automobile and airplane, World War I, the Roaring Twenties, the Great Depression, World War II, the Vietnam War, struggles over civil rights, the war on terror, Afghanistan and Iraq wars, and immigration decisions.

Math 5 - Purposeful design - In *Math 5 Student Work text*, math skills are developed within a chapter format followed by daily review for a mastery approach. Colorful pages reinforce the concepts taught in the lesson; understanding is emphasized through the use of manipulatives and pictures.

Science 5 - Purposeful Design - *Science 5* explores God's creation in a study of life science, physical science, earth and space science, and the human body. Students develop science process skills by participating in hands-on activities and projects. The Science 5 student text provides fascinating scientific information through understandable text, charts, diagrams, and colorful photographs and illustrations.

Pasaporte al Español - BJU - Step 5 each work text page activity is designed as practice of the material presented in the previous lesson and reviewed in the current lesson. Built-in flashcards are part of each page. The back of each work text page includes a dictation exercise, a Bible verse, a Bible truth, a Bible song, or a recipe from a country emphasized in the unit.

Possessing the Land - Positive Action - Just as God wanted His people to possess the land of Canaan, so He desires His children to live in a spiritual realm of promise and victory today. Through this study, your students will gain an understanding of the patterns and themes of God's work through the Old Testament.
